Insurance Recommendation & Underwriting Summary

Model recommendation analysis for the applicant's healthcare plan selection in **New York County (NY Area 4)**.

1. Eligibility & Subsidies

The applicant's household income represents **232.4% of the Federal Poverty Level (FPL)**. The case qualifies for an ACA premium subsidy (Premium Tax Credit) of **\$302.40/month**, which has been directly applied to lower the monthly premium payments.

2. Recommended Plan Selection

The top recommended plan is **NY Silver** (Silver tier) from **Oscar NY** as the most suitable choice.

- **Monthly Premium: \$129.60/month** (after subsidy discount of \$302.40/month).

- **Deductible / Out-of-Pocket Max:** \$3,000.00 deductible, with a \$8,000.00 annual out-of-pocket maximum.
- **Provider Network Fit (100.0%):** No preferred doctors listed.
- **Prescription Drug Formulary Fit (100.0%):** No preferred prescription drugs listed.

3. Underwriting Compliance Certification

This case was processed using the local ACA rating rules. In strict compliance with federal guidelines (Affordable Care Act), the premium was calculated **only** using age, tobacco usage, rating area, and family tier. **No rating factors were adjusted based on gender, sex, health status, or pre-existing medical conditions.** The applicant's medical history and drug prescriptions were used solely to verify network compatibility and formulary fit, and had zero impact on the premium rate.
